SGT. C. TIPPIN did willfully disobey A DIRECT ORDER from his Superior, CAPTAIN HORACE BURTON. Which had after a discussion about an incident between the Plaintiff and the Defendant. To which SGT. C. TIPPIN was found to be totally incorrect in his judgement. As to, An Institutional Rule Regarding the wearing of Prisoner's wedding Bands. And the CAPTAIN Ruled that the Plaintiff was in Compliance, and correct as to his knowledge of the Rules about the wedding band. Thus following the Chain of Command, As instructed in the Plaintiff prisoner's Hand Book, And Also the Institutional Rules. SGT. C. TIPPIN after being instructed not to question the Plaintiff AND approach the Plaintiff about the incident again. Took it upon himself to Disobey his Superior Officer CAPTAIN HORACE BURTON Direct ORDER. And he then proceeded on his own. Authority Questioning his Order's. (in other words what I say goes) It so the Plaintiff would be dealt with, the old way that Officer's dealt with prisoner's (meaning he would harm the plaintiff, usually by assaulting Prisoner's). Also stating to the Plaintiff that the incident wasn't over yet. Meaning he the defendant was going to take the matter into his own hands. Regardless of the Order given by his Superior Officer And that he would deal with it as he the defendant choose to do. Which frighten the plaintiff so bad. That he immediate filed the 1983 Complaint. Because the Plaintiff, during his previous years of incarceration. Has seen, with his own eyes Correctional Officer's Brutally beat Prisoner's to death and then the entire staff cover-up the incident.

Plaintiff Prays That This Honorable Court will Consider This Amendment to the Complaint. And GRANT THE Plaintiff, the Required Relief in accordance with the Law's.
